## Healthcare Facility Donation Guidelines

Global Links accepts:

- \* Current-dated single-use supplies that have had no patient contact (syringes, gauze, suture, catheters, ambus, etc.)
- \* Clinical & patient room furnishings
- \* Durable medical equipment (wheelchairs, crutches, canes, nebulizers, etc.)
- \* Biomedical equipment in working order
- \* Hospital linens
- \* Surgical instruments

Global Links CANNOT accept:

- \* EXPIRED supplies or solutions
- \* Prescription medications
- \* Printer/toner cartridges, film
- \* Chemicals, reagents or hazardous waste
- \* Gases or gas tanks
- \* Exposed sharps
- \* Printed materials, forms, brochures, or paper
- \* BROKEN furnishings or instruments
- \* Experimental or recalled products
- \* Human tissue

Global Links is a medical relief and development organization dedicated to promoting environmental stewardship and improving health in resource-poor communities, primarily in Latin America and the Caribbean. For more information, contact Hayley Brugos, 412.361.3424 x 213 or [hbrugos@globallinks.org](mailto:hbrugos@globallinks.org).
