

## Environmental Stewardship in Healthcare

**GLOBAL LINKS**  
*Sharing Surplus. Saving Lives.*

4/2008

### **The University of Maryland Medical Center is Helping Colleagues 3,000 Miles Away**

It's hard to care for patients without desks to work on, chairs to sit in, or adequate storage for health records.

With donations of office and patient room furnishings, the University of Maryland Medical Center is improving patient care and the working conditions fellow healthcare professionals in communities throughout Latin America while reducing environmental impact.
